Job Class:

Purpose of Position

The Insurance Care Manager serves as the liaison between Great Circle clinical teams and insurance companies for obtaining and continuing RTC, PHP, IOP and OP services to clients at multiple Great Circle locations. Communicates effectively with the behavioral health plans to secure continued stay authorizations, obtain transitional care authorizations, and to provide discharge information when the client is dis-enrolled from services. Works closely with admissions and clinical teams to collect and analyze data supporting treatment recommendations. This position reports to the Director of Managed Care.

Major Duties (*Essential Element)

- Follows all commercial insurance admissions for utilization management and conducts continued stay, transition in care, and dis-enrollment reviews to maximize potential reimbursement for services*
- Works with the clinical team and utilizes electronic tools to gather clinical data substantiating the request for authorization. Provides this to the insurance vendor in a timely manner according to the next review date*
- Communicates insurance vendor concerns, questions and requests to the clinical team and acts as liaison so all parties are aware of authorizations, benefit limitations, medical necessity criteria for continued stay, discharge planning, and any denials or appeals that are in process. Coordinates peer to peer reviews as needed.*
• Tracks admissions, reviews, covered and non-covered days of service and authorization numbers and documents in the client’s record and updates information in Credible.
• Answers inquiries from therapists and case managers regarding insurance benefits, authorizations, and denials of care and the potential financial impact of these events. Provide trainings to clinical teams regarding treatment plans, progress notes and discharge planning to aid and improve the concurrent review documentation.
• Other duties as needed for the betterment of Great Circle

Working Conditions

Office environment. Lighting and temperature adequate.
