Title: Statewide Director of Curriculum and Educational Strategy		
FLSA Class: Exempt	EEO Category: Sr Management	WC Class: 8861
Job Title # 499320	Salary Grade:	
Date Approved:		
Revision Date:	Job Class: Education	
Revision:	Purchasing Level: 4	

### Purpose of Position

The Statewide Director of Curriculum and Educational Strategy is responsible for developing, implementing, and directing Education programs within Great Circle while striving for growth, improvement, and quality. The position provides leadership in establishing new programs, implementing change, and achieving goals. This position ensures compliance and data integrity, provides project-based learning and testing oversight in an environment where individuals have experiences trauma. The Statewide Director of Curriculum and Educational Strategy will serve as an ambassador within the community while establishing and maintaining professional partnerships with representatives from other organizations, institutions, and funders. The Statewide Director of Curriculum and Educational Strategy provides advisement, collaboration, direction and communication with the Educational Directors. The Statewide Director of Curriculum and Educational Strategy provides input on program budgets, ensuring programs comply with federal and state laws, and for the quality of service experienced by the clients at Great Circle.

### Major Duties (\*Essential Element)

- Responsible for delivery of Great Circle's educational products, programs, and services, with a strong focus on program/product quality; lead teams

and activities to achieve yearly operational and strategic goals for Great Circle in these areas

- Responsible for driving revenue and margin growth across the portfolio of Education offerings
- Oversee maintenance of ISACS standards.
- Leads curriculum development through a variety of researched evidenced-based methods.
- Assures curriculum decisions are aligned with evidenced-based practices and State Adopted Standards
- Identify, develop, and bring to market new offerings that meet the needs of our clients to diversify and grow education revenue
- Lead the development and execution of Great Circle's education strategy for the Education division, programs and partnerships. Establish metrics and quality standards; direct necessary development activities to achieve these standards.
- Direct the strategy to drive growth of educational products, including product development, marketing, and development of distribution channels.
- Establish partnerships for the development and delivery of Great Circle's offerings to build Great Circle's education product portfolio, drive education revenue, and open new markets. Define business models and determine appropriate partnership roles and responsibilities.
- Adherence to Missouri Department of Elementary and Secondary Education Standards (DESE)
