Great Circle will receive a higher level of reimbursement for meals for children from families whose current income is at or below those shown. Applications are included in each student's intake packet. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. A complete application includes: 1) household income from all sources or Food Stamp/Temporary Assistance case number, 2) names of all household members, and 3) the signature and Social Security number of the adult household member signing the application. School officials may verify current income at any time during the school year.

Foster children may be eligible regardless of the income of the household in which they reside.

If a family member becomes unemployed or the family size changes, contact the school to file a new application. Such changes may change the child's eligibility category.
