ABOUT GREAT CIRCLE

Great Circle is a nonprofit agency with bold vision to provide every individual and family in Missouri access to high-quality, effective, responsive, and preventative behavioral health care, giving families a highly reliable place to turn to when facing difficult times or struggling with circumstances beyond their control.

Our services surround clients in a circle of trust, purpose and empowerment, giving them the tools to help them succeed and thrive. These include:

- 24-Hour specialized care
- Autism services
- Counseling services
- Crisis services
- Outpatient therapies
- Education
- Emergency shelter
- Home and community-based services
- Parenting support
- Respite services
- Super curricular programs
- Therapeutic camps

We have regional campuses, counseling centers and community-based offices across Missouri.

To learn more about how we can help, give us a call toll free at 1-844-424-3577 (GCHELPS) or visit us online at greatcircle.org.

QUALIFICATIONS:

BECOME A THERAPEUTIC FOSTER PARENT

Great Circle regional campus
Great Circle community office
With the best interests of each child at heart, Great Circle’s TFC program offers foster families:

- Dedicated case manager providing 24/7 support
- In-home support services
- Behavioral consultation
- Resource library
- Excellent training and skilled supervision
- Emotional support to foster families
- Competitive compensation
- Emergency support services

Each child’s foster care journey may be unique, but our team is here to help navigate every step of the way. Our case managers provide expert guidance and case coordination so that TFC families stay informed and supported. Beyond that, the TFC community is a wonderful place to connect with other foster families through quarterly meetings, support groups and other fun events.

A loving foster family is the key to success for a child who is unable to return home. Take the first step today and contact the Great Circle TFC team to learn more about becoming a foster parent!

Every day, there are kids with special needs in our communities hoping for a place where they can feel safe and secure. Could that place be with you?

At Great Circle, we believe every child deserves a loving home. But sometimes his or her own home isn’t an option. To help these kids, we provide therapeutic foster care (TFC) for youth up to age 21 who have developmental or emotional challenges and can’t reside with their own families. Instead, children live in a warm and caring home with foster parents who understand and support their treatment needs.

Interested in becoming a therapeutic foster parent? We can help you get there! As a TFC parent, you’ll receive specialized training and support to care for youth of all ages, especially those with elevated needs. This makes you uniquely equipped to help these children grow and succeed. By opening your heart and home to a foster child in need, you can make an invaluable impact in life of a young person.

By offering a caring home to a foster child, your family can make the difference of a lifetime!

It’s love, above all else, that makes a family.
